MEMORANDUM FOR: Personnel

FROM : Chief of Materiel

SUBJECT : Request for Extension of Tour [REDACTED]

25X1A

25X1A

1. It is requested that [REDACTED] be retained as the Project Depot Commander at the end of his current tour with the agency. This tour terminates 18 November 1959.

2. The above request is predicated on current planning which envisages numerous problems at this particular time in support of a "follow-on" program plus the already complicated system presently in being which requires a multitude of contacts and irregular adjustments from the normal in the assumption of such duties. Although [REDACTED] is performing primarily in his AFSC 6416, he is accomplishing duties more closely associated with AFSC 0046, Staff Materiel Officer. Such duties include, but are not limited to, the areas of Supply Procurement, Transportation, Budgeting, Planning, and Programing. The experience being gained is considered advantageous to the individual as well as the Air Force.

25X1A

3. Should this request be favorably considered, it is suggested this officer's tour terminate in the month of August rather than November in order to permit moving his family during summer months. He has three children in elementary school.

4. This officer has indicated in writing his willingness to voluntarily accept this extension.
